Company Ligos was founded in 1994.

In 2001 it became the first national manufacturer of croissants in Ukraine.

In 2022 company opened production facility in Germany and is registered under the name Ligos Europa GmbH.

The company currently manufactures products under its own brand name “Bonne Fabrique”, “La crema de Alva” and private labels of its partners.

Products manufactured by company Ligos are certified in accordance with IFS Food V6.1 international standard for food industry manufacturers, which guarantees that products are manufactured in the safe production environment and confirms their high quality.

Advanced technology and the use of exceptionally high quality raw materials ensure that puff pastry is particularly soft, light and airy, and that the croissants taste delicious.

Metallized polypropylene film is used as packaging for TM “Bonne Fabrique”, “La crema de Alva” croissants, which keeps them fresh and flavorful. Vibrant packaging allows consumers to identify easily products on the shelf.
